Nestled in quiet street, close to Lee Point Reserve, bushwalking tracks and beach is this stylish large 5 bedroom home. Fitted with airconditioners and tiles throughout, this place is ready to keep you cool whether you have the aircons on, or just open up all the windows. In addition there are 2 large sliding doors opening up to the under cover verandah, expanding the living area even further. The kitchen has room for a dishwasher and has plenty of work space and storage. With hardwearing benchtops and the dining room and outdoor area close by, it's ready to entertain any party! The kids can play on the lush green lawn while the adults sit down and relax. The main bedroom is equipped with a tidy ensuite, and there's a second bathroom with a large shower and a separate toilet as well. There is a large double car garage with internal access to the house, and enough space next to the driveway to park another car or boat off street.
