You couldn't find a better double story home in the heart of South Caulfield. Recently renovated & extremely well maintained, this home has features that are hard to find in new builds. This solid house has high ceilings, doors that are solid to filter noise levels from room to room its height levels are grand in proportion. Downstairs, you enter into a naturally light filled living space with luxury carpet & stunning French Doors allowing easy access to fresh air & a beautiful L shaped garden. A large, well equipped granite kitchen with all the mod cons you can imagine, an abundance of storage overlooking a spacious dining area which leads out into a Tuscan inspired courtyard, ideal for entertaining. Upstairs you'll find a superb sunny main bedroom with a large custom walk-in robe a deluxe ensuite with free standing bath & shower. There are two further bedrooms with built-in robes, a sparkling central bathroom & separate toilet. Additional features include a large powder room downstairs, separate laundry, storage room underneath the stairs, alarm, generous double garage with remote control door, shelving for extra equipment & attic storage. A new Ducted heating/cooling system was installed in 2022. This impeccably presented family home is a short walk to Princess Park, great cafes & transport. You must see this house for yourself as it won't disappoint.
