Situated in the highly sought-after central Wodonga location, this beautiful four-bedroom two-bathroom home has so much to offer. With high ceilings, polished floorboards, ceiling roses and detailed cornices, the home is filled with character. Surrounded by large established trees and great shedding, this home ticks all the boxes. Set on a large 818m² block, the home takes advantage of the land space with the addition of a large 9x7 metre shed with two remote garage doors and space for three vehicles. The shed also includes a pot belly heater and a ducted evaporative cooler for the ultimate man cave set-up or teenager's retreat. With plenty of space at the front of the shed for cars, boats or caravans, the property is perfect for those with an adventurous lifestyle! A garden shed is also located in the backyard for extra storage and includes a toilet and wash basin which comes in handy when entertaining in the beautiful backyard. The low-maintenance yard is large enough for pets and kids, with established trees and a beautiful wooden deck for entertaining. Internally, the home continues to impress with original polished floorboards throughout the living, kitchen and dining areas. Although the home has a classic feel, it enjoys the modern features of ducted heating and ducted evaporative cooling, contemporary stainless steel gas appliances and a dishwasher. The high ceilings and oversized hallways create an open and grand feeling to the home. The master bedroom features an ensuite and built-in robe, with the three remaining bedrooms all a generous size. The bedrooms all continue the home's vintage details such as cornices and original wooden windows, with carpet for comfort underfoot. The main bathroom has a corner spa bath for a touch of luxury and relaxation at the end of a long day.
