\$313,000

Set on a generous allotment of 5392 square metres is this well-appointed 3 bedroom plus study weatherboard home featuring built in robes, electric kitchen with meals area and two living areas freshly painted throughout, refurbished bathroom, split system heating and cooling, ceiling fans, pressurised rural water and rain water tanks plus 14 solar panels. Outdoor offers established gardens, carport and garage/workshop, 10m x 25m lock up shed plus 7m x 25m skillion roof open storage. Located in the small village of Bunnaloo with Primary School plus excellent bus service to Secondary School. With bitumen road frontage and a strong rural community this property offers a wonderful opportunity for those looking to relocate. Land Area: 5392sqm
