Tucked away at the rear of the neighbouring unit and backing onto leafy acreage sits this renovated home in the heart of Olde Berwick. Whisper quiet, and north facing, the sun filled open plan living gives a spacious and light feel. The quality renovation provides timber hybrid flooring, freshly painted, plush carpets, streamline blinds and soft flowing S-track sheers, so all the hard work is completed. The master ensuite is a nice surprise with its sizeable bathroom and walk in robe, benefiting from feature pendant lighting. The open plan living, dining and kitchen extend to your private courtyard gardens and timber decked area. A beautiful space to enjoy views of mature trees, privacy and some peace and quiet, it's also an ideal setting for the family bbq. The kitchen is generous with exceptional storage and bench space, whilst the adjoining laundry is well designed, with additional cupboards and bench space which can easily be a hybrid butler's pantry. A superb floorplan offers a separate kids/guest wing, with 2 double bedrooms, serviced by the family bathroom and separate WC. Other features include, remote double garage with internal access, ducted heating, S/S heating and cooling and a safe and secure location. A 5 minute stroll through the park brings you to Pioneer Park and the heart of Berwick, this much-loved home is ready to be enjoyed. It's an ideal lock up and leave for any downsizer or the whole family can enjoy the ease of such a central location for schools, shopping and evening walks back from your favourite restaurant.
