52A Hospital Street, Heathcote, Vic 3523

Area: 278 m2

Type: Residential Land

Brian Lawry

\$180,000

Perfectly positioned 278m² allotment within easy walking distance of shops, cafes, walking tracks, sporting ovals, hospital and all the facilities the friendly Heathcote township has to offer. Properties close to the town center have always been in demand and provide a secure investment and capitol growth now and into the future. The allotment is titled, has all services and is ready to build on. Vacant land close to the town center is very difficult to secure, don't delay.
