A contemporary north-facing residence in the highly regarded George & Allen building, this apartment by Turner Architects and Hecker Guthrie is a home of considered design and high-end finish. Full of light with bright outlooks across the surrounding district, the unique aspect also brings treetop outlooks, green views and privacy to the bedrooms. A CBD-fringe lifestyle an easy walk to the new Green Square precinct, the upcoming Waterloo Metro, and the shopping/dining hub of East Village. Highlights\* North views, private covered balcony\* Integrated gas kitchen w/ fridge + d/w\* Oversized sliding glass, in/outdoor flow\* Private beds w/ leafy treetop ambiance\* Built-in wardrobes, master w/ ensuite\* Gallery lighting & concrete ceilings\* Laundry w/ storage, a/c, secure parking\* Moments to the CBD & dining options\* Stroll to Green Square & East Village
