Experience convenient Inner West living at its best with this sleek, contemporary one bedroom apartment. Positioned on level four of the award winning Silos building, it's just moments to King Street and Newtown Station and convenient to Sydney University and the CBD. Chic and minimalist in design, the apartment offers an open plan living and dining area flowing out to a balcony with district views, ultra-modern gas kitchen featuring vibrant glass splashbacks, CaesarStone bench tops, dishwasher, and bedroom with mirrored built-in robes. Situated in a highly sought after boutique architectural landmark building, the 58sqm apartment provides a private and easy care base in the heart of Newtown. Additional features include internal laundry and secure parking for one car.
