Whether looking to invest or acquire your first home, this property has what it takes to achieve the results you desire. It is only a short stroll from the nearest primary school, bus stops and shopping centre, and within easy reach of further amenities and magnificent coastal attractions. The original slate and solid timber floor home and the wide separate side gated access lot are deceptively spacious, and there are even some unexpected bush and city mountain views from the wide side deck off the carport. There is ample access for a caravan or boat, and the backyard offers a handy 1.5 and garden shed, thriving citrus fruit trees, lovely rose bushes and loads of potential to enhance. Embrace the private garden views from the spacious front semi-open lounge and the master suite, which features a walk-in robe and ensuite. A wide picture window in the expansive west-facing, high ceiling open living, dining and kitchen zone frames yet another lush private garden view. The kitchen is well-equipped, with modern cooking appliances and ample storage and work bench space, and is handy to the deck access. The remaining wing reveals three bedrooms including two with built-in robes, and good laundry storage, and an original bathroom, with a shower and bath, ideal for anyone with children. Seize this great opportunity to either get into the property market for the first time, or boost your investment portfolio.
