Capturing a calming country-like ambience on 2.5 acres (approx) with sweeping gardens and towering blue gums, this picturesque property with a well constructed double brick home offers an idyllic lifestyle for growing families seeking a serene treechange. Flaunting a spacious single level floorplan and solid bones for a contemporary renovation, the residence features both formal and informal living rooms (with adorable Antique English Axminster carpeting as seen in the Royal Palace!). The lounge is warmed by a roaring wood heater to keep you toasty throughout the winter months, while the rumpus opens via sliding glass to one of the patios, making it well configured for summer fun. The third living room and meals area sits beside a large original kitchen with dishwasher and an updated oven that is perfectly functional to prepare the evening meal but would certainly shine with a contemporary upgrade in the future. Down the hall, the 4 bedrooms share a full original bathroom and an ensuite off the master bedroom. Two of the junior bedrooms have a connecting jack-and-jill door, while the guest bedroom boasts a sink and sliding glass doors to a spacious semi enclosed 2nd patio and the garden beyond. Steps to Devon Meadows Primary School, the local footy oval and tennis club, the residence is just a short drive to Botanic Ridge Village shopping mall and 20 minutes to Frankston.
