Outstanding, larger than average 599M2 Block of land, located on a wide sealed road, with two street frontages, just before the stunning Wahine drive, which leads down to the public boat ramp. This is an excellent block to build your Island home or investment property. Gently sloping, well elevated, bitumen road frontage, top location and priced to sell. Be very quick on this one. Some features • Very peaceful area, close to the public boat. • Water, power and NBN running down the street • A very nice area to build your island home • Gentle sloping 599M2 from the back pegs to the front of the block. • Located on an elevated street to catch the breezes.
