Superbly positioned on a large block with a commanding street presence, only two minutes from historic Morpeth, 10 minutes to Greenhills and the Maitland Hospital, and just 45 minutes to Newcastle CBD, 53 Jenna Drive offers a superb combination of comfort and convenience. With side access to the yard, a feature becoming more and more rare with newer homes, the practicality starts there! Along with two spacious living areas, including an open-planned kitchen, dining, and living area, the home is very family-friendly. The four bedrooms are all of ample size, and the master is well equipped with a built walk-in robe and ensuite. The main bathroom is also a standout, with a large corner bath, yet another family-friendly feature for those with very young kids. The jewel in the crown of this property is the outside alfresco. This enormous area is excellent for entertaining family and friends for larger events, or just the quiet weekend BBQ. The yard space itself is excellent, with loads of room for kids and pets to play, and again, the all-important side access. 53 Jenna Drive offers the best of family living in a quiet location, close to all the major amenities you could hope for.
