When location is the Key!

Looking for a project? This home situated on approx. 710sqm features an open plan kitchen & living zone with split system heating & cooling, three bedrooms, all good in size and is ripe for renovation.

Outside will certainly impress with an oversized patio, established garden and a double car shed with power and a little potbelly fire.

With Mansfield's amenities within walking distance including the local public swimming pool, hospital, schools and the golf club, your car will never need to leave the driveway.
