Position is everything when you want to live by the sea. The Great Ocean Road is at your back door as is the Port Campbell township and its beautiful swimming and surf beach. All within a short walk from the property. This beautifully presented double storey home is cleverly designed for the family in mind, as well as being ideally situated on the flat 1 Acre parcel of land for any future type of development. The ground floor consists of 3 generous sized bedrooms, open plan kitchen/dining, central bathroom, laundry, and 2 living areas, whilst the first floor boasts a Master Bedroom with Walk in Robe and Ensuite. Externally the 9m x 4.2m Carport, and the double garage with an art studio/workshop above it complete this already impressive home. One of the other main features and opportunities with this property is that 53 and 55 (lots 1 and 2) can be purchased Individually or together.
