\$240,000

You get a two bay shed, a garden shed, and a lockup garage with this three bedroom house. There are aircon's, ceiling fans and wardrobes in the bedrooms. The kitchen and bathroom is updated and tiles through out the living space makes this home easy to keep neat and clean. The kitchen has gorgeous benchtops and a gas stove. The undercover patio is accessed through the kitchen's sliding doors. The lounge and dining is very spacious and there is more storage in the hallway. Property Code: 1514
