Looking for a fully well-fenced property with 9.429 hectares close to town, with good quality stockyard and loading race all fencing and pasture, are in excellent condition, with 90 bales of silage cut last season. The property has its own water bore for stock water. The property is only 5 min drive into the town centre of Smithton. The mature shelter trees provide shelter from the winter winds. These properties are very hard to find with acres and privacy and yet so close to town. The property has good fencing conventional boundary and internal electric fences.
