Relax and enjoy the view from this lovely property, set on 11 acres and featuring breath taking views of the majestic Mount Buffalo. A combination of cleared land and private rear bushland, you can really experience the country lifestyle. With plenty of trees and birdlife surrounding the sturdy brick residence, this property offers a REAL tree change, just minutes from the Porepunkah township, wineries and Ovens River. Featuring three bedrooms and two bathrooms and built with absolute love and care by the original owners, the homestead is perched in an elevated location, providing spectacular views of the surrounding environment. Enjoy the glow of the sunset from the front of the home, or the tranquil sounds of the local fauna from within the bushland, to the rear of the home. Beautiful Tasmanian Oak boards line a single wall in each room of the property, with Oregon beams and boards lining the roof in both the kitchen and living areas. All three bedrooms contain built in robes and all with views out the windows to front of the property and the hills beyond that. The master suite features an ensuite and sliding doors to the front of the home. A main bathroom, with bath, services the remaining 2 rooms. The open plan kitchen, dining and living area is oh so spacious, kept toasty warm in the winter by the wood fire, and cool through the summer months by the air conditioner, located in the living area. Large windows along the front of this space will provide more delightful views. With the rail trail and wineries right on your doorstep and the snow fields within close proximity, this is an opportunity that doesn't present very often. Beautiful swimming holes along the Ovens River can be found only minutes away. Outdoor living at its best surrounds this acreage property. A sturdy double carport keeps the cars out of the elements and a concreted and powered shed gives you a space to tinker. There are so many options for this wonderful property. With the space and room, the option to extend (STCA) could see your dream home built in a spectacular location. If escaping the daily grind and retreating to your own rural hideaway really appeals, then you must inspect this property. Call our office today to book your inspection - 03 5755 1249
