\$325,000

With a realistic price tag, this tidy cottage has an elevated corner position on Villiers Street and offers a pleasant view across Kremer Park to The Foundations. The home features 3 bedrooms, a modern eat-in kitchen, a large lounge room with wood burner, and a combined bathroom and laundry. There is a covered front porch and a covered rear patio for entertaining outdoors, and side lane access to a single carport. Would make a great first home or easy care investment.
