Colliers Agribusiness is proud to present 'Cryna Poultry' For Sale via Expressions of Interest. 'Cryna Poultry' is an established mix broiler and grazing farm operation with a 2.32m+ birds annual production capability. 'Cryna Poultry' is located 5.5 radial km* from Beaudesert and 63 radial km* from Brisbane, 50 radial kms from the Golden Cockerel Processing Facility and 98 radial kms from the Darwalla Hatchery. The property comprises 58 Hectares over 1 freehold title, with the poultry component comprises a total of 10 poultry sheds, 5 with new SKOV Management System. The farms are supported by 712 tonne grain storage silos and 30kw solar system with 2x 300kVA and 1x 200kVA diesel backup generators. Additional water is supplied by 4 freshwater bores. Additional infrastructure includes two well-appointed homesteads, cattle yards, fencing and additional machinery sheds. Colliers Agribusiness is exclusively marketing Cryna Poultry on a Walk-In Walk-Out Basis (WIWO), via an Expression of Interest process. Please reach out to listed agents to formally register your interest.
