Spacious Living and Tranquil Surroundings This stunning, 3.9 hectare rural property is a dream come true for anyone seeking a peaceful and spacious lifestyle. Boasting 6 bedrooms or 5 bedrooms and a study, this home offers ample space for a large family. With 2 living areas, 2 bathrooms, a spacious country-style kitchen, split system heating and cooling, and a Coonara fireplace, this home has everything you need to live in comfort and style. The property features a beautiful home with a separate living area that offers its own private access, perfect for accommodating elderly family members or teenagers seeking privacy. The large garage and sweeping driveway that can accommodate up to 5 vehicles provide plenty of space for all your cars and equipment. The property sits on an expansive 10-acre parcel of land, which you can utilize or simply enjoy the natural surrounds. The dam, large machinery shed, and workshop make this property perfect for anyone seeking a rural lifestyle. To truly appreciate what this home has to offer, it must be seen in person. Don't miss out on the opportunity to own this beautiful home and enjoy the tranquil country life you've been dreaming of.
