Enjoy the luxury of space without the burden of high-maintenance gardening inside this generously proportioned five-bedroom residence. Located within the EDSC catchment area, wonderfully appointed throughout and boasting no owners corporation fees, this immaculately presented home comfortably delivers the space you crave on a manageable scale with its versatile living areas, three deluxe fully-tiled bathrooms and two master bedrooms — one of which is zoned downstairs for convenient multi-generational living. The indoor-outdoor design of the open-plan living domain instantly appeals, with stacker doors blurring the lines between the fashionable interior, private grassed yard and separate decked area. Those who love to entertain will also value the impressive scale of the entertainer's kitchen, equipped with a feature island bench, 900mm stainless steel cooker and loads of storage space. A further two living areas reside in privacy upstairs and are flexible by design, as is the quiet study/fifth bedroom downstairs. Enhanced with ducted climate control, warm timber floors downstairs, remote double garage with internal access, extra off-street parking space and loads of storage, embrace this low-maintenance family-sized upgrade within walking distance of Beverley Hills Primary School, Beverley Hills Kindergarten, Devon Plaza, Jackson Court, parks and city-bound buses.
