This immaculate townhouse offers simply the easiest yet most fulfilling lifestyle. Nestled within a prized pocket of beachside Parkdale which enjoys proximity to the station, shops and tempting eateries, the home is a stylish sanctuary that is ready and raring to go. Boasting its own street frontage and no shared land, the accommodation opens up to reveal a formal lounge that can be closed off for the quietest nights at home. Set to the rear, an inviting living and dining zone embraces a smart granite kitchen where sleek stainless steel appliances plus a relaxed breakfast bar will shout out to those who like to entertain – throw open the doors to the neat courtyard to extend this space even further. All three double bedrooms are tucked away upstairs, each one offering a stretch of built-in robes, the master with the luxury of glossy ensuite – a generous family bathroom is also on this level, whilst a ground floor powder room and laundry with access to the secure auto double carport are also offered. With ducted heating/vacuum plus cooling upstairs, this pristine package is within easy reach of Thrift Park and zoned for both Mentone Girls' and Parkdale secondary colleges.
