Welcome to this exceptional real estate offering, a charming brick veneer home designed for comfortable living. Boasting three bedrooms and two bathrooms, this property provides ample space for a variety of needs, whether it be for a small family, retirees, or those looking to downsize. Constructed with low maintenance in mind, this home ensures that your weekends can be spent enjoying leisure activities rather than tending to extensive upkeep. The brick veneer exterior offers durability and easy maintenance, allowing you to focus on the things that matter most to you. Convenience is key, and this home provides just that with its double garage, offering secure parking and additional storage space. Whether it's for your vehicles, hobby equipment, or extra belongings, the garage provides a practical solution for your storage needs. Another standout feature of this property is its solar power system, which promotes sustainable and cost-effective living. Harnessing the power of the sun, this environmentally friendly feature helps to reduce energy costs and decrease your carbon footprint. Ideally suited for retirees or those looking to downsize, its proximity to schools, shops, and sporting facilities adds to the convenience and desirability of this property. Don't miss out on the opportunity to make this your new home.
