This renovated two bedroom unit, close to all of Dalmeny's facilities is a real find! Stepping inside the open plan living area is fully renovated and will impress immediately. The kitchen is gorgeous and a perfect space to cook up a storm, whilst being able to engage with family sitting in sun filled living area. The two bedrooms are good sizes and both have built in wardrobes. The main bathroom features a bath, shower, vanity and toilet. The second bathroom has a shower and toilet combined with a laundry. There is a single car carport which enters into the living area and the front of the unit features a beautiful and sunny deck. Dalmeny is known for its amazing beaches and Mummagga Lake, which enters into the ocean and is perfect for a swim! The shops in town add to the appeal, meaning leaving this paradise is not needed often. There is also a Dalmeny to Narooma bike path which takes the scenic route along the coastline into the central hub of Narooma. Just 10 minutes' drive to Narooma, this is perfect for a first home, a holiday unit or a downsizer option.
