\$129,000 - \$139,000

Please note: Price is for the cabin only, there is an ongoing site fee with the park of \$165 per week in its current location. This 1 bedroom cabin perfectly combines spacious living and quality finish at an affordable price. Offering any downsizer a low-maintenance lifestyle opportunity, this cabin is sure to impress on first inspection. The open plan design will surprise and is showcased by the light filled, spacious living & dining area featuring timber lined ceiling, quality carpet flooring, downlights & large wall mounted split system. There is a large functional kitchen with quality stainless appliances and an abundance of storage. The generous master bedroom will impress with large walk-in robe and access to the dual entry ensuite. The large carport has had a remote roller door offering more security and privacy. The rear court yard offers room for a small garden or pets and there is access to 2 small storage rooms owned by the park. With walking tracks, shopping and public transport in close proximity, this well presented cabin offers quality low maintenance living along with a peaceful & secure lifestyle.
