Auction

Situated just 9.3kms(approx.) to the lovely country town of Nanango this presents as an opportunity to purchase a selectively cleared, acreage property without breaking the bank. The spacious, steel-framed, brick home does require a full interior refit due to fire damage with the external structure of the dwelling useable. A Structural Engineers Report is available to interested parties. The acreage is fully fenced into 2 paddocks with a dam. On site are 2 useable sheds - a 6m x 9m (approx.) colourbond shed plus another 6m x 12m (approx.) shed. The property has all bitumen road access with power connected to a pole inside the property. If you are looking for privacy then this property is the one for you. For more information please contact Marie - 0407075485 or the local, friendly staff at Nanango Real Estate on 07) 4163 1677
