This property is perfect for multigenerational living, alternatively choose to live in one and generate income by renting the other or both out. The first dwelling, a cosy two bedroom home boasting a large living area, new kitchen and bathroom, with veradachs both front and back, offering the perfect place to sit and relax at the end of the day. The second dwelling, a three-bedroom haven with a study, generous kitchen and two living areas, featuring beautiful polished tiles throughout. The allure of this property extends beyond the two dwellings, the crystal -clear waters of the inground 8.5m fiberglass pool is so inviting and is sheltered by a covered outdoor area that takes in the beautiful mountain views on offer. Need storage? A sizable 11m x 6m workshop including a double garage awaits, plus an extra 9 x 6m workshop shed ready to accommodate any hobbyists' dreams. In summary, this property, zoned large lot residential beckons with the promise of comfortable living, and weekly potential income of \$1000, approx. 5% return on investment. So, whether you are an investor or a family seeking the perfect nest for a multigenerational family call Jennifer on 0409 765 032 to make this property yours today!
