Explore a sanctuary where each evening unveils a breathtaking display of painted sunsets against a tranquil river backdrop. Upon entering, the charm of the timber floors greets you, and every corner reflects meticulous attention to detail. The property prioritizes sustainability and efficiency through both battery and solar systems, ensuring year-round comfort with air conditioning for the summer and a wood fireplace for winter warmth. Step onto the covered entertainment area, where eco decking provides the perfect setting for memorable gatherings or simply unwinding. The inground swimming pool invites you to a refreshing oasis, ideal for basking in the sun or enjoying a leisurely dip. The expansive garage, complete with an additional workshop and bathroom, transforms into a versatile space that can serve as the ultimate teenage retreat, offering ample room for the entire family to enjoy. With every detail thoughtfully crafted, all that remains is to move in and add your own personal touch. This property is truly a harmonious blend of modern elegance and natural beauty.
