This property has the room and areas set up to enjoy all sorts of animals. Already in place is a round yard, arena and stables for the horse enthusiasts, whilst chooks, geese and an impressive aviary on the northern side houses the most amazing array of coloured birds you can imagine. The house itself is large, with 5 bedrooms, 3 bathrooms, ample hallway storage, walk-in robes, open plan lounge with woodheater, dining and kitchen area. The fifth bedroom could easily be an Airbnb (STCA) as it is located off the lounge area, with its own bathroom, private entrance and courtyard. The property has a septic sewerage system, bore down for water and cleared fenced areas, and is only two minutes' walk to the beach via public beach access. There is also 50 acres of private land that backs onto the property.
