Built around the late 1960s, this traditional double fronted brick home underpins the true Australian dream. The dream to own your own home with that tranquil garden setting and the convenience that has continued to improve with schools, parks, walking tracks and shops only minutes away. Tastefully refurbished this property includes fresh carpets and paint, central heating, upgraded lighting, ceiling fans and a practical floor plan. Three bedrooms each generous in size include fans, carpet and built in robes. The lounge encapsulates ample natural light with large windows complimented by timber floors, built in breakfast bench and the offering to function as a lounge and dining or pure lounge. The kitchen includes updated cabinetry and appliances as is equally as generous in size. Potential to add an island bench to also provide additional functionality. The garage is a double length tandem garage with workshop space. Whilst the backyard provides an alfresco and a nicely landscaped yard secure for pets and kids. Tastefully refurbishing many of the original features whilst subtly modernising others, this home is sure to delight.
