What a great find in a terrific area. Set on an 809m<sup>2</sup> fully fenced block this 3 bedroom home has recently been lifted to legal height and awaits the buyer who would love the ability to build in under. With a new roof, electrics and plumbing this house would suit the fussiest buyers. Both the kitchen and bathroom are modern and the extras such as full air conditioning and fans complete the picture. You need to be quick to secure this one. Call now to arrange a viewing.
