With 1464m² of untapped potential on a corner block in the thriving township of Tatura, this is the perfect opportunity to unleash your imagination and transform this weatherboard beauty. Whether you're a seasoned renovator seeking your next project or a visionary builder, this neglected home offers a myriad of possibilities. Roll up your sleeves and breathe new life into its tired bones, or seize the opportunity to create your dream home from scratch. There are two street frontages plus laneway access to the west side boundary creating further possibilities for town lot subdivisions (STCA). The only limit is your imagination. Located within close proximity to sporting facilities, employment opportunities, schooling, Tatura racecourse and the CBD, everything is at your fingertips. What are you waiting for?
