Here's your chance to purchase a beautiful north facing, beach house set on a level, easy-care corner block minutes from the river, boat ramp, club, pub and shops. The vendor has purchased elsewhere and must sell! Sunlit kitchen and dining/family room lead to a level fenced yard with beautiful, low care gardens. Experience colour all year round with a mix of natives and exotics which you share with the birds, frogs and the occasional bandicoot. The four bedrooms all have built-in robes. The private master suite at the northern end of the house features separate reverse cycle air conditioning and an ensuite. A double garage with separate storage room means that there is room for everything. Nothing to do but move in and enjoy. The home is low maintenance and immaculate. The gardens are beautiful. The location is enviable. Don't wait!
