A Victorian classic nestled in a row of traditional terraces, this period home enjoys a premiere setting on one of the areas' best streets surrounded by parks, cafes & local amenities. As you enter the property you will notice the formal separate dining room (with ornate fireplace & lighting), second entertainers living room (with gas fireplace) adjoining the light well / middle garden which runs to the kitchen. With a due north aspect, the rear of the home opens to a third bed plus master bathroom (with spa) or oversized living space with adjoining garden oasis - a tranquil setting flooded in natural light with a water fountain (rear lane access) and bi-fold doors. Travel upstairs you will see two double bedrooms (master with AC & balcony access). This home is a must-see for those seeking comfortable living, convenience and a peaceful setting.
