Welcome to 54 Nottingham Street Kippa Ring, to this lovely family home, within minutes to schools, shops and train station this property is an ideal location for you and your family. As you step inside this spacious home, you will be impressed and are welcomed by an open plan living area with formal dining room that seamlessly integrates with the kitchen and dining room to create an inviting hub for family interactions. This then overlooks the massive screened enclosed outdoor living area to enjoy those family parties together and cook out on your bbq, while the children play. The sizable ensuite master bedroom offers privacy and tranquility overlooking the backyard while the additional two bedrooms provide ample space for a growing family or visiting guests. They come complete with air conditioning and both rooms having large built in wardrobes. No need to worry about garaging here as you have amazing space with a double carport plus double lock up garage with storage spaces galore even room for an office, once of the largest garages I have ever seen. Outdoors, you'll find a fully fenced large yard which provides plenty of space for children's play or gardening pursuits. The side access feature enhances flexibility for storing larger items like boats or caravans. This residence is ideally suited for families seeking room to grow or retirees looking for serene surroundings. With committed sellers ready to move on to the next venture, don't miss out on your chance to secure this fantastic home on the Redcliffe Peninsula.
