In the very heart of Chelsea Heights, close to the primary school, shops and parks, this impeccably presented 3-bedroom home is ready for immediate enjoyment - but it is the possibilities it dishes up for the future that really make it stand out from the crowd. On 538sqm (approx.) toward the end of a quiet, low-traffic cul-de-sac with plenty of room for a rear extension or pool if desired (STCA), the freshly painted accommodation provides families with an extremely satisfying base to retreat to at the end of the working day. Among its many highlights are a welcoming lounge/dining room with split system heating/cooling, a contemporary eat-in kitchen with stainless steel appliances, three generous sized bedrooms and a stylishly updated bathroom with twin vanity. Outside, the secure child & pet-friendly backyard with sheltered pergola is the perfect blank canvas awaiting your creativity - imagine the setting you could establish in this exceptionally generous space! And while the home is more than comfortable as is, you may choose to renovate further to suit your family's needs as the blank canvas yard has endless opportunities. Carport parking, a full laundry and dual blinds are among the practicalities of a truly appealing family-friendly package which is within moments of the fabulous expanses of Bicentennial Park, the suburb's shopping destinations, bus stops, Cornish College and freeways for a straight-forward workday commute.
