Privately situated, just a walk from the surf beach, this three-bedroom cottage will delight those looking for seclusion with a unique home and coastal surrounds. A rare find, set back off the street this cottage offers a step back in time with enticing timely features added such as polished floorboards and ceiling roses. Beginning with the quintessential front veranda, perfect for lazing those summer days away. Characteristically cottage, with a traditional layout; three bedrooms at the front of the home, kitchen, and bathroom at the rear. A blend of old and new, the property includes doors opening to the front deck off the living area, back deck, and a split system. For cosy winter nights, the woodfire heater sits centrally in the heart of the home. Surrounded by seaside trees and shrubs, the property has much to offer as a permanent home or holiday getaway. Just a walk to the surf beach and close to the cool vibe of the Cape Woolamai shops, cafes and Tavern, the location delivers on true beachside living. Cape Woolamai sits enviably on Phillip Island, with Newhaven and San Remo one side, and Cowes the other. Within easy reach to larger townships, a choice of local kindergarten, primary and secondary schools and bordered by magnificent coastal walks and beaches, it offers an ideal seaside lifestyle within 90 minutes of Melbourne CBD.
