Imagine relaxing with friends and family here, perched overlooking the breathtaking panoramic views across Hobart, kunanyi & the River Derwent from almost every room in this beautiful home. Whether playing 8-ball in the downstairs rumpus or having a few drinks outside under the covered entertaining area, you will love the privacy and space...and of course, the views! Ducted heating and multiple living areas, this home is less than 15 minutes drive to Hobart, close to local shopping centres, schools and bush walking tracks. As you step into this spacious family home, you'll immediately be greeted by an abundance of natural light that floods the interior, giving it a warm and inviting atmosphere. Off the grand tiled entrance, the generous rumpus could fit your own 8-ball table if you have teenage children or "big kids" who love a game or two! The extra long double garage provides internal access into the entry foyer as well as secure storage for your vehicles and additional belongings, ensuring that your possessions are always protected. The hub of the home is the light, open plan kitchen, family and meals area that is sun-drenched in the afternoons, with each window again framing the views with a door accessing the balcony if you love having a cup of coffee in the fresh air. A more formal dining area with generous lounge opens off this hub, featuring large bay windows to capture the picturesque vistas, bringing the outdoors in and creating a serene ambiance that is simply unparalleled. The three generous sized bedrooms are all on this upper level, perfect for a young family who like children's rooms on the same floor. The main bedroom has a newly renovated ensuite with a double vanity and larger shower than most, and a shutter on the window if you love sleeping in total darkness or work nightshift! The main bathroom has a bath, shower and vanity. A separate toilet close by with its own vanity, makes it ideal for guests or a family in those busy moments through the day. This family home offers ample space for everyone to spread out and enjoy. With two large living areas and a rumpus room, there's plenty of room for relaxation, recreation, and quality time together. Whether it's movie nights, game days, or simply unwinding after a long day, this home has it all. Entertaining family and friends will be an absolute delight in your outdoor covered barbecue area complete with mounted heater, night lighting and views...yet again! Imagine hosting summer gatherings with loved ones while enjoying the fresh Tasmanian air and the soothing sounds of the local birdlife. It's the perfect setting for creating lasting memories. The beautiful, colourful, established gardens surrounding the property are a testament to the love and care that have been poured into this home. The terraced backyard provides a level area for children to play and is secure for your family dog year round. In a nutshell, this Howrah gem is more than just a house; it's a place where you can truly enjoy the high life and the ever-changing sunsets. Its sunny, light-filled interior, spacious layout, and stunning views make it the perfect family home.
