It's not often that the fundamentals are all covered off so easily in a home, but this home signs them all off in a glance; Position, Size, Presentation and inclusions. Its been a "one owner" home. The reason it's not entered the market before is that its built for purpose and has been cared for like a "New Pin". The sunny North Eastern aspect is brilliant and you find generous room sizes starting with the tiled foyer entry, Lounge room (Built in Bar) formal Dining room, Modern Kitchen with B/fast Bar and Granite stone tops. There's a Breakfast meals area as well as a rumpus/TV room. Everywhere you look you see a manicure and loved finish. The yard compliments the package. There's Ducted Air Conditioning throughout and tiled floors are a great choice in the traffic areas. The Main Bedroom has walk in robes and an ensuite. All Bedrooms are set with BIW's and ceiling fans. A Very easy home to live in with a clever floor plan, drive through double garage and you wont have to lift a finger at \$625,000.
