From \$399,000

Sturdy 3 bedroom 1 bathroom brick & tile home situated on a 911m² lot which is ideally located within easy access to Roe Highway, Midland central shopping district / Midland health campus and Perth airport within a 15 minute commute as well, other features include. 911m² R20/40 block. Original 1960s home. Home in need of renovation works. Opposite to Robinson grove estate . 20mtr street frontage You cant fault the location here with the newly created Robinson Grove estate right across the road that offers picturesque open park land areas with man made lakes which over looks the Helena River floodplains with a purpose built amphitheatre and the beautifully restored Belleview homestead and stables complex that was originally used as a dairy farm which gives you an insight into the former history of this location..Disclaimer: This information is provided for general information purposes only and is based on information provided by the Seller and may be subject to change.
