Is this the best value waterfront land on the east coast of Australia? I'd suggest it is...This unique and much sought after location, known to the locals as "Millionaires Row", is the premium blue chip Redcliffe address. Here is a rare opportunity to secure a 498sqm allotment ready to be built on. With favourable zoning, easy access and being surrounded by multi-million dollar homes, you really can not go wrong. The hard work has been done by the current owner and you will be presented with a clean, green field site with all services connected. Contact Cameron for further details
