\$675,000

Properties of this size with so much to offer, in a spectacular location, rarely become available to purchase. Only moments to the beach, Esplanade, boat ramp and minutes to coffee shops and cafes. With bedrooms and bathrooms upstairs and downstairs, this property lends itself to various potential dual living opportunities for family members or guests. The owner's instructions are clear, this must be sold with all offers presented. Large 5 bedroom brick family homes with multiple living areas rarely become available, do not let this opportunity pass you by.

First Floor- Air conditioned master suite with ensuite and triple built in robes- Second king and third bedrooms have fans and triple built in robes- Fourth bedroom has double built in robes- Main bathroom with separate toilet- Spacious modern kitchen with meals area- Rear balcony off kitchen and meals area overlooks the backyard- Spacious lounge room with front balcony access

Ground floor- Huge second lounge/rumpus/games room- Bathroom with separate toilet- Large 5th bedroom- European laundry- Double garage access

Outside- Fully fenced 600m2 block- Large garden shed- Water tank.
