Located in the quaint township of Purnim, just 15 minutes north of Warrnambool, is this wonderful family home nestled amongst the gum trees and offering your own little oasis to relax and enjoy. The home comprises 4 generous bedrooms, a sitting room/study or 5th bedroom. The kitchen, meals and family room is an enormous open space offering a great spot for the family to gather plus a large rumpus room at the rear of the home is ideal to sit back and enjoy a show on Netflix or read a book. The home is well sited on the 2000m² allotment with the space available for access to the yard for additional shedding if you desire to compliment the existing double garage and additional single shed. Other key features include connection to town water, split system heating and cooling and a superb outdoor entertainment area. If you like the sound of getting away from it all while having city conveniences close by, I suggest you bring along your list of things you're after in a home as you'll certainly be ticking lots of boxes here. For sale by Expressions of Interest closing Tuesday 2nd April if not sold prior.
