With sweeping views to one of the countries most recognisable iconic beaches and surrounded by natures Burleigh Ridge Parkland, 55 George Street Central is a unique offering. Currently held as a home and two income producing flats spanning a 526 m<sup>2</sup> North facing level allotment with an enviable 20 metre frontage and anchoring a private, end of cul-de-sac position. Tightly held by the family for almost 45 years, the opportunity to secure this spectacular position and create your own remarkable home or development, is available now.
