55 Graham Street Calala, positioned on a dead-end street on the edge of Calala, making this a wonderful location to sit back and watch the wildlife amongst the gumtrees. Step inside you will find two good sized living areas, a spacious kitchen overlooks the family living area that opens out onto a covered deck that overlooks the gardens and out to the lucerne flats towards the Peel River. There is a double lockup garage with undercover access to the front door for convenience, especially on those rainy days. Side access into the backyard to a workshop with power and lighting positioned under the home plus there is also an extra storage area under the home if required. If you are looking for a quiet location close to town this property will meet those expectations. Call Peel Valley Real Estate Tamworth to arrange an inspection.
