A tranquil location near Macleod & Watsonia Village shopping and trains is where this enticing c1966 era three bedroom residence and its generous garden surroundings reside. Charming and immediately comfortable, showcasing spotless original design on a corner 584m² allotment (approx.) with a preferred north-facing rear, this meticulously maintained single owner mid-century cream brick home invites first home buyers, young families and savvy investors to make the most of a light-filled and free-flowing floorplan.
