This beautiful country feel home will have you relaxing from the moment you drive in the driveway. Boasting four bedrooms, 2 bathrooms, 2 living and an abundance of decking areas to choose from, this home is set up for year round enjoyment. With modern bathrooms and kitchen keeping with the country theme, this home has split-system air-conditioning and a cosy wood fire place for the cooler winter nights. The current floor plan is ideal if you have an extended family with one of the living areas and the fourth bedroom down one end of the home. The main living area is an open plan layout with the kitchen and dining areas having easy access to the front deck for entertaining and watching the kids play behind the secure front fence. This is a home that will steal your heart; all in a sought after location close to the shops and beach, so get in fast.
