This spacious home is centrally located near the Cardiff shops, restaurants and transport. The home features polished timber flooring and high ceilings throughout. As you enter the home, you are greeted by an open living room that flows through to the large kitchen area that offers electric cooking facilities and ample storage space. It opens out through the glass sliding doors to the side deck. Opposite the kitchen is a formal dining room that would also be spacious enough for a study. The home has two good sized bedrooms at the front of the property plus an additional carpeted bedroom or living area with an air conditioner; this space could alternatively be used as a parent's retreat, third bedroom or home office. At the rear of the property, you will find the bathroom and separate laundry. The bathroom offers a shower over the bath, vanity and a toilet. An enclosed courtyard is positioned at the rear of the house. Water usage, lawn and garden maintenance is included in weekly rent. Phone Amy to arrange an inspection of the property on 0414 667 617.
