Are you tired of looking at run down properties? This one is the one you have been looking for. Palm Tree Apartments is a well presented complex and this is a lovely, spacious unit. The unit itself is located on the top floor of the complex, and you need to see it to appreciate how big it is internally. The kitchen has lots of bench & cupboard space, as well as a large fridge/freezer. The living area is tiled and open plan and opens up onto the balcony area. There is an air conditioner to keep this area cool. The two bedrooms each have a ceiling fan, new carpet, and a huge built-in robe. They also have an upgraded box air conditioner to keep you cool in the summer months. The owner has just completed maintenance including new carpets to both bedrooms and new window coverings. Best of all the body corporate will look to give permission for an indoor cat to the right applicant. Ideally located with Raintrees Shopping Centre just across the road, and TAFE within an easy walk away. For those of you without cars, there is a bus station located to the rear of the shopping centre that will take you where you need to go. The City Centre, DFO Shopping Centre, Cairns Central and the Esplanade are just a short drive away. Although it is a large complex, this is great place to live. There are lots of long-term tenants and owner occupiers that call Palm Tree Apartments home. Please CALL to arrange a time to inspect. Applications are only processed after the property has been viewed.
