Welcome to your perfect low-set brick home, ideal for families or couples seeking comfort and convenience! This charming residence, situated on a spacious 405sqm lot, features 2 generously sized bedrooms, a near-new kitchen, and an updated bathroom, offering everything you desire in a modern living space. Step inside to discover a haven of comfort, complete with ceiling fans throughout and air conditioning in the main bedroom and living area. Both bedrooms boast built-in wardrobes, providing ample storage space for your belongings, while the large modern laundry area adds convenience to your daily routine. Entertain guests in style in the spacious entertainers courtyard at the front, while the easy-care garden promises minimal maintenance. With a single lock-up garage and extra off-street parking, convenience is paramount for busy lifestyles. Don't miss out on the opportunity to make this delightful low-set brick home on a generous 405sqm lot your own. Schedule a viewing today and experience the perfect blend of comfort and convenience!
